

# Gerard Esposito

## New Board Member

Governor Ruth Ann Minner has appointed Gerard Esposito, as the Sussex County representative on the Diamond State Port Corporation's Board of Directors. Esposito becomes the 11th member of the board. His appointment was

confirmed by Delaware's Senate on Thursday, March 18, 2004.

As the President of Tidewater Utilities, Inc., Esposito brings to the DSPC a wealth of knowledge and experience in management and operations. In his position at Tidewater, he is responsible for all aspects of managing Delaware's third largest public water supply company which provides water service to approximately 23,000 customers throughout Delaware. Tidewater is a subsidiary of New Jersey's Middlesex Water Company, a 108 year-old utility serving residential, commercial, and industrial customers in north-central New Jersey.

As a member of the DSPC Board, Esposito will seek to develop exports of Delaware's agriculture products through the Port of Wilmington and will seek to enhance trade that benefits all Delawareans. Esposito joins the following DSPC Board members:
